Southern California is experiencing the biggest apartment construction boom in a quarter century.

CoStar projects Southern California is on track to complete 15,000 new apartments this year and 23,000 more in 2018. Developers in the region have added almost 65,000 new homes to the local housing stock since the recovery began in 2012 — a gain of almost 2 percent.

CONSTRUCTION 2018-2021

To complement Orange County's Metrolink service, passengers need a way to get to their

final destination after getting off a train. Through Transit Extensions to Metrolink, a Measure M program (now called OC Go) intended to broaden the reach of Orange County's backbone rail system to key employment. population, and activity centers, the cities of Santa Ana and Garden Grove developed a fixed guideway project that would address this need.
